

Coldwater Working Group

Need and Goals

- Highly vulnerable habitat
- Sensitive species
- Beyond general recommendations
- **Spatially-explicit** conservation
- Best Management Practices

Participants

- Researchers
- Resource managers
- Multidiscipline
- Regional

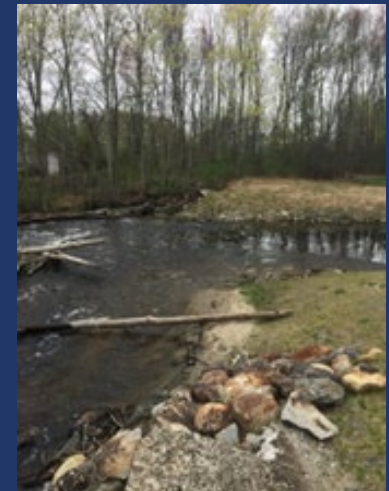

Coldwater Working Group

Work to date

- Invitation
- Introduction
- Conference calls
- Emails
- Consensus of ultimate goal
- General strategy
- Potential products
- SHMCAP inclusion

Next steps

- Model updates
- Climate refugia review
- Funding beyond planning
- Other?
